

CALIENTE ISLE YACHT CLUB'S FIRST CRUISE OF 2012!

When: February 10-12

Where: Tower Park Marina

This is a "Friends With Benefits" Event

Think early Valentine's Day!

- Tower Park has many amenities for us to enjoy - A general store for SHOPPING, boat dealership, fuel dock, canvas and interior repair/installation and Rosa's restaurant. Rosa's is open from 11 AM to midnight and has \$2 well drinks and draft beers from 4-7 PM.
- If the weather is good, we will launch the dinghies and take a cool trip to Turtle Cove and Westgate Landing.
- The details are still being worked out, but we are now taking reservations so that we can let the people at Tower Park know the approximate number who will be attending. Berthing cost is \$20/night for boats up to 42'loa and \$24/night for boats over 42'loa. Meals will be on your own or in the restaurant.
- Please let us know by February 1 if you will be attending and day you will be arriving.
