### February

This will be our "Friends with Privileges" Valentines Cruise. Come participate in our Newlywed Game, with a boating theme. We will cruise out regardless of weather (unless it is truly storming) to a marina where we can gather in the bar, at a restaurant for meals (dinner at the well regarded Rosa's Italian Restaurant will be by reservation) and where a pretty well stocked store is at hand for you shoppers.

### March

- Land Event: **St. Patrick or Mardi Gras Theme Event**– Date & Venue TBD (Dave Peck hosting). Let Dave surprise you with an event that will be sure to please. Dave is cooking something up as we speak (you bet that Shari will be helping too!).
- Cruise out: **Windmill Cove, "March Winds Cruise".** (Cruise Directors – Ted & JoAnne Lyman). Date: 3/16-18. Why cruise with March winds? Because you can't have a kite flying contest without wind. Bring yours and win one of several special prizes taken from what is left of Marsha's Mall. Dinner will be at a fine marina restaurant, and breakfast as well if you like. You don't want to miss this place, with its newly refurbished facilities with great docks and views. Plan on re-starting the CIYC Horseshoe Tournament on this weekend.

### April

- Land Event/Cruise-out: **Opening Day at Rusty Porthole** (Boat Parade and Dinner, Marsha & Curt Hayes hosting) date: tentatively 4/14-16, and we will let you know as soon as the Bethel Island Chamber of Commerce confirms the date for opening day. Rusty Porthole Restaurant is planning a special dinner for Caliente members on Saturday night and is extending free docking to our members for Friday and Saturday. View the opening day parade from a great vantage point. CIYC will be opening the 2012 boating season with a really great party and a winning parade entry!
- Cruise-out: **Asparagus Festival** – Stockton Marina and Downtown area (Cruise Directors - Ted & JoAnne Lyman) Date: 4/27-29. If it's April and it is Stockton, it is time for that city's Annual Asparagus Festival. Caliente Cruisers have been clamoring for this cruise for several years, and for 2012 we have locked up 15 berths for this in-demand event. When you see the email asking for your reservation (coming very soon), do not hesitate to make your reservation. There will be great music, terrific food, and of course asparagus.

On Sunday it will be Margaritas and a Mexican dinner at Alebitas Restaurant which is walking distance from our boats.
